Volunteer Work

Rise Against Hunger

Member

- Provided food internationally and ship these packages to more than 17 countries.
- Created food packages that contained nutrients and uncooked carbs.

Livestrong

Volunteer

- Sold Livestrong merch to earn profit.
- I used my skill of art and made occasional cards to sell, and fundraise money for the organization.

Honors and Awards

Youth Global Summit

I talked about the environmental problems Texas was experiencing. I had the chance to take a trip to Colorado and meet with the directors of SEKISUI, a Japanese corporation. I was chosen as one of the top 10 nominees to represent the United States in the current environmental issues. As a result, I had the chance to visit Japan and speak with other students who were there to represent their nation and the challenges they were having.

Miss Orange County- Jr Teen 2019

I spent a year representing Orange County after I won. When an event arrived, I would represent my region due to my involvement active in several groups at the time.
